Dear Dan:

Just a note to tell you how pleased we are with the asphalt overlay and other services your company performed for Eden Point South Condominium. Your company is very easy to work with. I appreciate your expertise and cooperative effort in working through unexpected problems like seawater encroachment through the seawall.

Your service after the job was done also impressed our Board. Your crew came back to touch up the rough spots and put a second coat on the striping. For these reasons and because the job looks great (including water drainage that we have always had problems with), I would not hesitate to use your company again. You can use us as a reference.

Please add us to your schedule for seal-coating our three parking lots in 2012.

Sincerely,

Henry Kuhlman, President
